End User License Agreement – AKTIVES Dataset

The user, who will use the AKTIVES Dataset 2022, agrees to the following conditions by signing this form.

1. Academic Research

The dataset may only be used by the user for academic purposes.

2. Commercial Use

The user may not use the dataset for any non-academic purpose. Non-academic purposes include, but are not limited to:

● proving the efficiency of commercial systems

● training or testing of commercial systems

● using screenshots of subjects from the dataset in advertisements

● selling data from the dataset

● creating military applications

● developing governmental systems used in public spaces

3. Responsibility

This document must be signed by a person with a permanent position at an academic institute (the signee). If you are a student, a faculty member must sign the agreement.

4. Distribution

The user should not distribute the dataset or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations. All videos/images in this data set are only allowed for demonstration in academic publications and presentations. Note that publications will have to comply with the terms stated in article 6.

5. Access

The user may only use the dataset after this End User License Agreement (EULA) has been signed and returned to the AKTIVES Group at INOSENS Company Turkey.

The signed EULA should be mailed in digital format (scanned or signed pdf) to: inosens@inosens.com.tr. The mail has to be sent from the academic email address.

6. Publications

Publications include not only papers but also presentations for conferences or educational purposes. All documents and papers that report on research that uses any of the AKTIVES Dataset 2022 will acknowledge this by citing the following paper:

Coskun B., Ay S., Erol Barkana D., Bostancı H., Uzun İ., Oktay A.B., Tuncel B., Tarakçı D., AKTIVES dataset: stress recognition with physiological signals (202X).

The user will send a copy of scientific papers that reports on research that uses the AKTIVES Dataset 2022 to AKTIVES Group (inosens@inosens.com.tr).

7. Warranty

The dataset comes without any warranty. The AKTIVES Group at INOSENS Company Turkey cannot be held accountable for any damage (physical, financial, or otherwise) caused by the use of the dataset. This data set is provided "AS IS" without any express or implied warranty. Although every effort has been made to ensure accuracy, we do not take any responsibility for errors or omissions.

8. Misuse

If, at any point, the administrators of AKTIVES Dataset 2022 and/or AKTIVES Group at INOSENS Company Turkey have a reasonable doubt that the user does not act in accordance with this EULA, he/she will be notified of this and will immediately be declined the access to the dataset as well as will be obligated to remove all copies of the retrieved data.

9. Other

For questions, please contact AKTIVES Group at inosens@inosens.com.tr.
